

John's Way

Medical Equipment Ministry

A faith-based outreach of:
Clover Creek Church of the Brethren

Our Vision

Our vision is to provide free durable medical equipment (wheel chairs, walkers, hospital beds, etc.) to individuals who have a need who are located within 25-miles of Martinsburg, PA. We accept donations of medical equipment in good working order, then clean and repair them, so that they can help someone else in need. If those who receive equipment no longer need it, they are encouraged to return it to John's Way so that someone else can benefit from it.

John's Way is a ministry of Clover Creek Church of the Brethren, a 501(c)(3) nonprofit organization. All contributions are tax-deductible. We are a charity, and not a medical supply business, so we cannot provide immediate assistance for medical equipment needs.

CONTACT US:

(814) 793-0999

Contributions to support this ministry can be sent to: John's Way, 137 Church Hill Ln., Martinsburg, PA 16662.

Our Name

John's Way is named after John Scott Baird, a member of our church who was born with a rare genetic disorder which made walking or speaking impossible, but did not prevent him from having a meaningful life. His presence with us for 19 years was a blessing to all who knew him. This was John's Way. John passed to the Lord on May 5, 2004.

Directions

From traffic light in Martinsburg:

Travel East on Rte. 164 until you pass the John Deer businesses on the right. Turn left onto Clover Creek Rd. shortly after. Then make immediate right onto Fredericksburg Rd. Go 1/10 mile and turn left after Brubaker's Greenhouse onto Rebecca Furnace Rd. This road leads to our church, which is on the hill. The John's Way building is located at the top of the church parking lot. (It is a white building with 3 garage doors on the front).
